

SmartPad®

Perfect use in Cars, Offices, Bathrooms, Kitchens...

Advantages of the SmartPad®:

- 1) Magically holds cell phones, sunglasses, CDs, cigarettes, make-up, paper note, toothbrush etc.
- 2) Good for use on car dashboards, bathroom walls, refrigerators, computers and monitors, etc.
- 3) The **SmartPad®** can stick to both vertical or slanted surface
! Surfaces must be completely dry and clean. SmartPad® only sticks to a dry and clean surface !
- 4) **SmartPad®** holds items in place when driving around curves, going over speed bumps, sudden stops, off road, heavy seas, etc.
- 5) When **SmartPad®** is losing its sticking properties then just wash using water
For better results wash thoroughly
- 6) Available in almost any color and you even could customize the **SmartPad®** with text or your company logo or both. Just look on page 2 for some Imprint-examples
